

FIGI FOUNDATIONS IN GENESIS IDAHO

MEET THE SPEAKER:

BRUCE MALONE

With a B.S. in Chemical Engineering from the University of Cincinnati, Bruce holds 17 patents for new products and has 27 years' experience as Research Leader with Dow Chemical. After leaving, he became Director of Search for the Truth Ministries with the vision of "Awakening Hearts and Minds to Biblical Truth." He has given creation seminars to churches and schools in 18 countries, authored ten books with over 700,000 copies in print, produced a 19 part creation video series called *The Rocks Cry Out*, and posts 3 minute videos called *Without a Doubt* on the evidence for creation. Search for the Truth ministries has presented over 350 science assemblies in public high schools of 6 different nations and given 200,000 books on the evidence for creation to these students, ending each assembly with the Gospel message, many times to students who have never heard the Good News. Bruce and his wife Robin have been married for 40 years and have four grown children and eight grandchildren.

ABOUT FIGI

FIGI equips Christians to defend the biblical worldview as related to science, origins, history, and precepts for living. Through presentations and field trips, FIGI develops the critical thinking skills of Christians and truth seekers, helps them understand truth, and equips them to defend the biblical six-day creation worldview based on Scriptural evidence.
